If You're Getting Married...

You've pictured this moment over and over — the way everything looks when it all comes together, the excitement when your guests arrive, and the feeling of celebrating surrounded by the people you love most.

But here's the thing... planning that dream can get overwhelming. You're juggling work, time with your fiancé, friends, family — and somehow trying to find the perfect vendors, manage timelines, and make every detail come together.

That's where I come in!

At LJ Coordinare, we know the wedding industry inside and out — what works, what doesn't, and how to make your celebration unforgettable for all the right reasons.

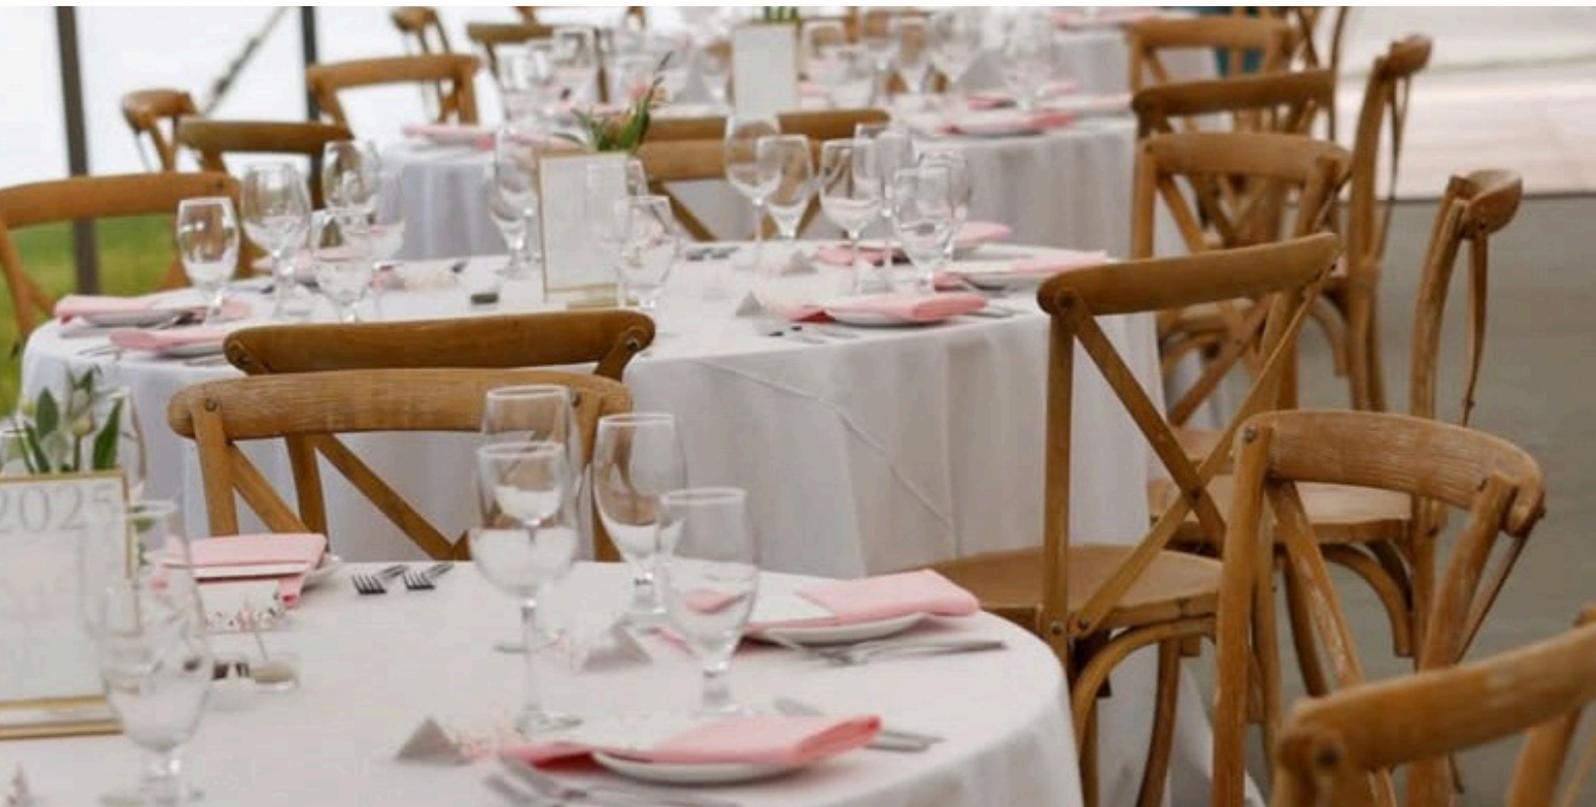

Whether you're saying "I do" on the shores of Lake Michigan, in a romantic city halfway around the world, or somewhere completely unique, I'll be by your side every step of the way — from the first idea to the final dance.

I highly recommend Leah! She went above and beyond to make our daughter's wedding day special. She really made my daughter's vision come true. She was a joy to work with!

HI THERE!

I'm Leah.

I'm the planner, stylist, and detail-obsessed creative behind LJ Coordinare.

I know what it's like to want every single detail to be perfect — the atmosphere, the décor, the flow of the day — all while making sure it's uniquely yours. I've worked with couples near and far to design and execute celebrations that feel both personal and effortless.

MY PHILOSOPHY

I believe every wedding should be as unique and meaningful as the couple at the center of it. My role is to blend thoughtful design, seamless planning, and personal service so you can be fully present and enjoy every moment.

@LJCOORDINARE

Our Process

Step 1: Tell me about your wedding

We start with an appointment to go over your vision for your big day, priorities, how you want your wedding to feel, and how involved you want us to be.

Step 2: Plan & Prepare

For full-service couples, we handle everything from vendor bookings to design details and timelines.

For day-of coordination clients, we review your plans, confirm vendors, and create a detailed schedule so the day runs smoothly.

Step 3: Celebrate

On your wedding day, we're there to manage the timeline, coordinate vendors, and take care of every detail behind the scenes — so you can relax, enjoy the moment, and celebrate without worry.

Planning can be stressful. Your wedding day shouldn't be.
